ABSTRACT (11 Font Size, bold, all caps, centered)- Abstract should be written in 200 words and with 10 font size, Times New Roman, justified, single line spacing. Objectives, methods, and findings are summarized in this section. Keywords: Keywords regarding the work are stated in this section, maximum 5 words, 10 font size and separated with semi-colon.

1. INTRODUCTION (Title Times New Roman, 12 font size, bold) Extended abstracts should be written in a form that is shorter than the full text. Subtitles of the extended abstract should be made of the sections of abstract and keywords, introduction and objective, method, findings and argument, conclusion, and suggestions. It shall be written with Times New Roman font, single line spacing and 11 font size. Extended abstracts can host figures, tables, formulations, or images. Page margins are set according to the A4 page size and are 2.5 cm wide from the right, left, top and bottom. End of the lines should be aligned to the right and there should be no syllable segmentation. Extended abstracts should not exceed 4 pages including the references and pages should not be numbered.

2. MATERIALS AND METHODS Materials and methods used in the work must be stated clearly and subtitles should be used when necessary. 2.1. Subtitle First degree titles (2.) should be written left aligned, all caps and bold. Second and 3rd degree subtitles (2.1, 2.1.1) should be written left aligned, bold and with title case. A blank line should be placed between the paragraphs and there should not be any paragraph indentation.

3. RESULTS AND DISCUSSION

3.1. Subtitle Tables, images and figures should be centered. Figures and images should be numbered together (Figure 2) and figure definitions should be placed under the figure or image; as for the tables, they should also be numbered and the table header should be placed at the top of the chart. Table, image, and figure headers should be written with upper case initial letters, bold and should be centered. References (if any) of the tables, figures and images should be presented just under the tables, figures, and images in the form of author surname and publication date.

4. CONCLUSION Should highlight your most important finding as well as future works (3-4 lines).
